

WYCOMBE Wanderers, who trail Isthmian League leaders Enfield by 14 points, hope to cut back on that lead tomorrow (Saturday) when they visit fourth placed Leatherhead. The Blues have a game in hand on Enfield, who are involved in the F.A. Cup tomorrow.

After their disappointing defeat at the hands of Slough in the league, Wanderers will be aiming for a quick return to form. They showed signs of their best football when scoring four goals in the first half against Hungerford last week.

One of the goalscorers was Tony Horseman who replaced Dylan Evans and it will be interesting to see if he keeps his place for what is bound to be a hard game. Leatherhead have already held the Blues to a 1-1 draw at Loakes Park back in August when Chris Kelly scored in the 70th minute only for John Priestley to equalise within 60 seconds. Priestley was another player back in the side against Hungerford and did more than enough to retain his midfield place.

Wanderers may be without full back Bobby Davies, who strained a muscle in Tuesday's training session, so Steve Vass stands by. Vass and Farouk Quraishi have

only two weeks left at the club before leaving for Bahrain and America respectively.

Manager John Reardon has been busy watching players as replacements and hopes to add to his squad in the near future.

Leatherhead meanwhile, have shown rather erratic form since going out of the F.A. Cup at Swansea after holding them 0-0 at Fetcham Grove. They could only draw at Bishop's Stortford and then went down 2-0 at Tilbury recently. The only change from the side that drew at Wycombe sees Barrie Davies, who had a short spell at Loakes Park, playing at right back.

Wycombe have a seven week wait before they play an Isthmian League match again at Loakes Park, when they will entertain Hitchin on January 28.

They are hoping to arrange some mid-week fixtures at home.

On Tuesday the Blues travel to Witney Town for a Shaw and Kilburn League match. This

game has special significance as Witney are top of the Southern League Div. One North and as Wanderers face a trip to Bridgend in the F.A. Trophy on January 14, they will be able to gauge the standard of opposition.
